

### Tender Cancellation Notice

Tender ID	:	2023_KSWMP_601224_1
Tender Ref No	:	IN-SUCM-368391-CS-QCBS
Tender Title	:	<i>Consulting Services for the Selection of External Training Consultant (ETC)</i>
Published on	:	September 08,2023

After Technical Evaluation by the Government constituted Technical Appraisal Committee (TAC), KSWMP had published the technical scores in the e-tender portal on 15/11/2023.

Meanwhile, due to a change in the senior management positions in KSWMP in the month of October, 2023, there was a reshuffling of the names of the KSWMP Nodal Officer and designated Bid Openers in the Kerala e-tender portal.

As per the systemic requirements of the e-tender portal, as set by KSWMP, a minimum of three Bid Openers were required with active Digital Signature Certificates (DSCs). Due to the top level changes, KSWMP currently has only two of the originally designated three bid openers. As a result of these changes, KSWMP is unable to open the financial proposals of the technically qualified Applicants.

Under the circumstances, KSWMP is left with no option other than canceling the present RFP and initiating a new tender process. KSWMP wishes to express sincere regrets for the inconvenience caused to all Applicants due to this technical glitch.

**Fresh Tenders will be invited shortly**
